

# M80 Series

## MONGOOSE

**AS/NZS STANDARDS CERTIFIED**

**M80AU - M80AM**  
**M80S**  
**M80i**

**MONGOOSE**  
*"that's a name you can trust"*

The M80i Series is the premium Mongoose range of vehicle security systems all certified to the Australian and New Zealand Standards AS/NZS4601 1999 inc' amendment 1 2003. Alarm versions are additionally certified to AS/NZS3749.1 2003. (Check product packaging for latest Star rating and/or certification).

All models include automatic TRIPLE circuit engine immobilisers the main deterrent against theft of your vehicle if it cannot be started, it cannot be driven away.

Models M80S, AU and AM are full alarm versions to provide protection against theft from your vehicle.

The level of protection offered by these models is detailed overleaf. Discuss with your Mongoose dealer which is best for you or your vehicle.

All models offer the convenience of keyless entry of a vehicle's existing central locking and include a range of programmable features to customise the system for your vehicle or for your own preferences.
